

UMBC
Department of Biological Sciences
Visitor Seminar

Graham Thomas, Ph.D.

Eberly College of Science
Penn State University

**“Escaping the Red Cell Paradigm:
Spectrin modulation of protein
recycling, nuclear envelope
morphology and (possibly) RNA
export”**

Wednesday, November 11, 2015
12:00pm-1:00pm
Biological Sciences Building
Room 004

Host: Cynthia Wagner, Ph.D.

Visitors Welcome
