recruiting@alignedvb.com

Able to hire:

US Citizen; OPT/CPT

Aligned Vision Behavior (AVB) is on a mission to provide quality in-home ABA services to clients aged 1 to 21 years old in order to increase skills and reduce behaviors that have been negatively impacting success. We focus on nurturing a collaborative approach between family members, teachers, parents, and providers to ensure sustainability outside of therapy sessions.

Our team of Behavior Technicians provide in-house services to clients throughout Maryland while enjoying competitive pay, benefits, flexibility, and training. We are looking for individuals who are committed to making a difference in the lives of others while working for a growing organization that is truly passionate about supporting its clients and its people.

Join a team that leaders of the military and U.S government rely on to protect the nation. DIA produces cutting-edge analysis, targeted collection, and scientific and technological expertise employed to prevent and decisively win wars. DIA employ analysts, collectors and scientists – but that isn't all – as one of the few all-source intelligence agencies, our global mission requires a diverse workforce. DIA has over 50 career specialties ranging from information technology and human resources to finance and communications. No matter the skillset or specialty, DIA provides opportunity to serve our country and support the men and women defending our nation around the world. Join DIA in our commitment to excellence in defense of the nation.

MDH has five major divisions - Public Health Services, Behavioral Health, Developmental Disabilities, Health Care Financing, and Operations. In addition, the department has 20 boards that license and regulate health care professionals, and various commissions that issue grants, and research and make recommendations on issues that affect Maryland's health care delivery system. We depend on a staff of more than 9,000 and a budget of more than \$12 billion to provide needed services to Maryland communities.
