

Official Newsletter of UMBC CKI

Hello, CKIers

What a great way to start the new semester! We brought in new members and had a blast at Involvement Fest and the ice cream social.

Stay alert! We have a lot of positions for you to take on and be a part of this amazing club.

Let's make this semester one of giving and serving the community. Use the numerous events as a way to connect with our fellow CKIers and get ready to take your experience to Fall Membership Rally!

Yours in service,

Jood Ali
