

Official Newsletter of UMBC CKI

Hello,

Now that we're done with midterms, it's time for even more service than before! I'm super excited to see all of the amazing things to come and what new service opportunities will arise. This is a recap of both November and December.

Remember to start preparing for next semester! Elections for club officer positions are coming up. Plus DCON nominations for awards are approaching sooner than you think.

Countdown to March 17-19 where we will take our service district wide and meet up with fellow CKIers. See you all there and have a wonderful break!

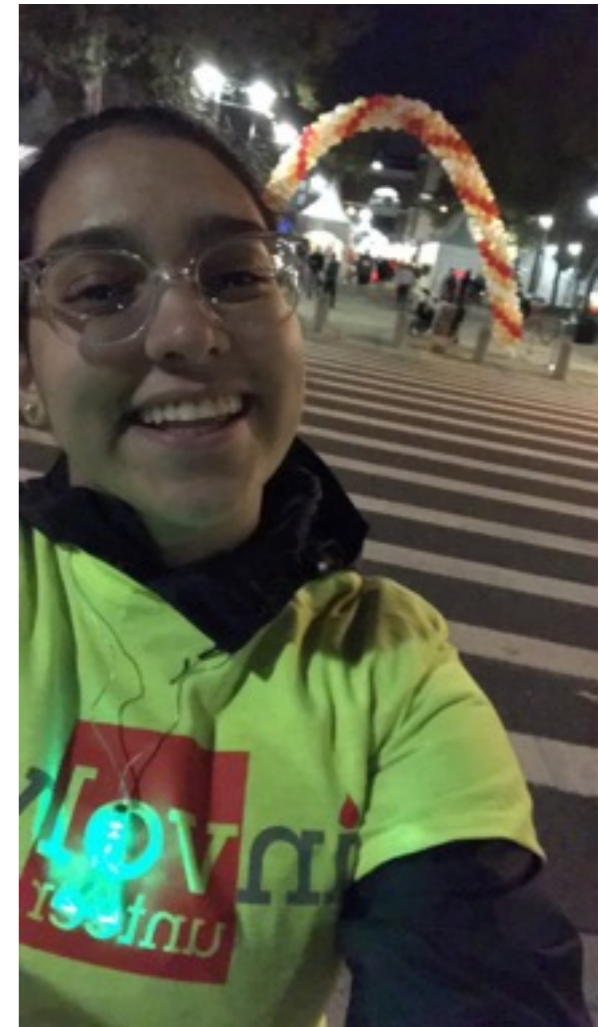

Yours in service

Jood Ali
