Unit Status Menu

These icons indicate the status of each unit in your school:

- = No Data Entered = Ready to Submit = Contains Warnings = Contains Errors

To view or edit the data, click on the status icons in the table below to go to that page.

As in earlier years, you can delegate reporting for some units to Unit Respondents.

If a Unit Respondent has not submitted data for a unit and you wish to edit or report that unit's data, check the Lock Unit box in the table below for that unit. This will prevent the Unit Respondent from making changes and let you enter data.
