

# COMMUTER PROFILE

*HOW DO YOU GET TO UMBC?*

I drive every morning in my new Mazda6 :)

*WHAT ROUTE DO YOU TAKE?*

I take 95 to 166 and get off on Hilltop Circle. If I am lucky enough I get a parking space in Commons Garage.

*WHAT ARE THE PROS OF BEING A UMBC COMMUTER?*

More freedom. I also get to see my mom and my pets everyday. I never have to worry about having a bad roommate.

*WHAT ARE THE CONS OF BEING A UMBC COMMUTER?*

It can be difficult to find parking on campus, sometimes I drive around for 20 minutes just to get a spot in the stadium parking lot.
