2014 UMBC RecycleMania Events

Recycling tips for your office :

- ◆ Keep a reusable bottle, mug, and bag handy
- ◆ Set your computer to automatically print double sided
- ◆ Get a desktop recycling bin for paper
- ◆ Recycle electronics, batteries, bags
- ◆ Donate bulk items through facilities
- ◆ Join the 'Retriever Exchange' on myUMBC to request items

Green Office and Recyclemania Luncheon Wednesday, February 26th, 2014 | 12pm to 1pm University Center Ballroom Lounge

Join UMBC staff and faculty across campus for a luncheon and conversation about Recyclemania and Green Office: our newest sustainability program! We'll discuss easy tips to help you recycle, reduce waste, and save energy in your offices. You will receive a toolkit, and resources such as recycling bins, signage, guides, and more!

About the Green Office Program:

We now offer a short training, a simple checklist, and a helpful toolkit- all the information, tools, and resources to bring the basics of going green to your entire office. Offices are recognized with a certification and prizes. Learn more here: <http://sustainability.umbc.edu/staff-green-office-certification/>

About Recyclemania:

RecycleMania is a friendly 8 week long recycling national competition between colleges and universities! In the spirit of the competition, we ask that recycling fans help promote Recyclemania, so we can recycle more of our waste, and reduce the amount of waste we create!

Thank you,

Donna Anderson, Recycling & Grounds Manager
Tanvi Gadhia, Sustainability Coordinator
Valerie Thomas, Associate Vice President, Human Resources
