25Live®

AiM

UMBC 101

- UMBC 101 will be an introduction to the campus and what systems we use to do what we do.
- We will then have classes that are more detailed and specific for the jobs being done and which positions should take which classes.
- Classes will be given in different formats depending on the class.
- We hope to have the initial class up by July 1st.

Working closely
 Successful go-live
 for COEIT and Student Affairs

Phase II Updates & TAP

UMBC 101
 - UMBC 101 will be available for the complete set of updates on 5/13/16 at 10:00 AM.
 - We will have a demo that is more detailed and specific for each building and will allow you to see build out which areas.
 - Please call us prior to different times depending on the building.
 - We hope to have the build out by July 1st.

Student Affairs
 - The Student Affairs Center is currently under construction and will be completed by the end of the year.
 - The new Student Affairs Center will be a state-of-the-art facility that will provide a modern and comfortable environment for students.
 - The new Student Affairs Center will be a state-of-the-art facility that will provide a modern and comfortable environment for students.
