

MRS. GEORGE F. MEYER SCHOLARSHIP FOR TRANSFER STUDENT MAJORING IN ENGINEERING

A \$5,000 scholarship for the 2012-2013 Academic Year will be awarded to an undergraduate engineering student who has obtained or transferred a minimum 3.0 grade point average. The **Mrs. George F. Meyer Scholarship** is academic, merit based scholarship intended for a transfer student majoring in Engineering who is committed to the success of Women in Engineering. If there are no available transfer students majoring in Engineering, the award will be open to any student in Engineering, with the intent to support students who are committed to the success of Women in Engineering.

To apply please submit a resume, unofficial transcript, and a 500-word statement that outlines your interest in pursuing an Engineering degree, including your thoughts about the importance of diversity in engineering, as well as your post-graduate career goals.

Applications due: November 16, 2012

*Submit completed application via email to
