

Career Services Center Assessment Project #1: Senior Success Seminar

76 students invited to respond to post-seminar survey.
Obtained a 33% response rate.

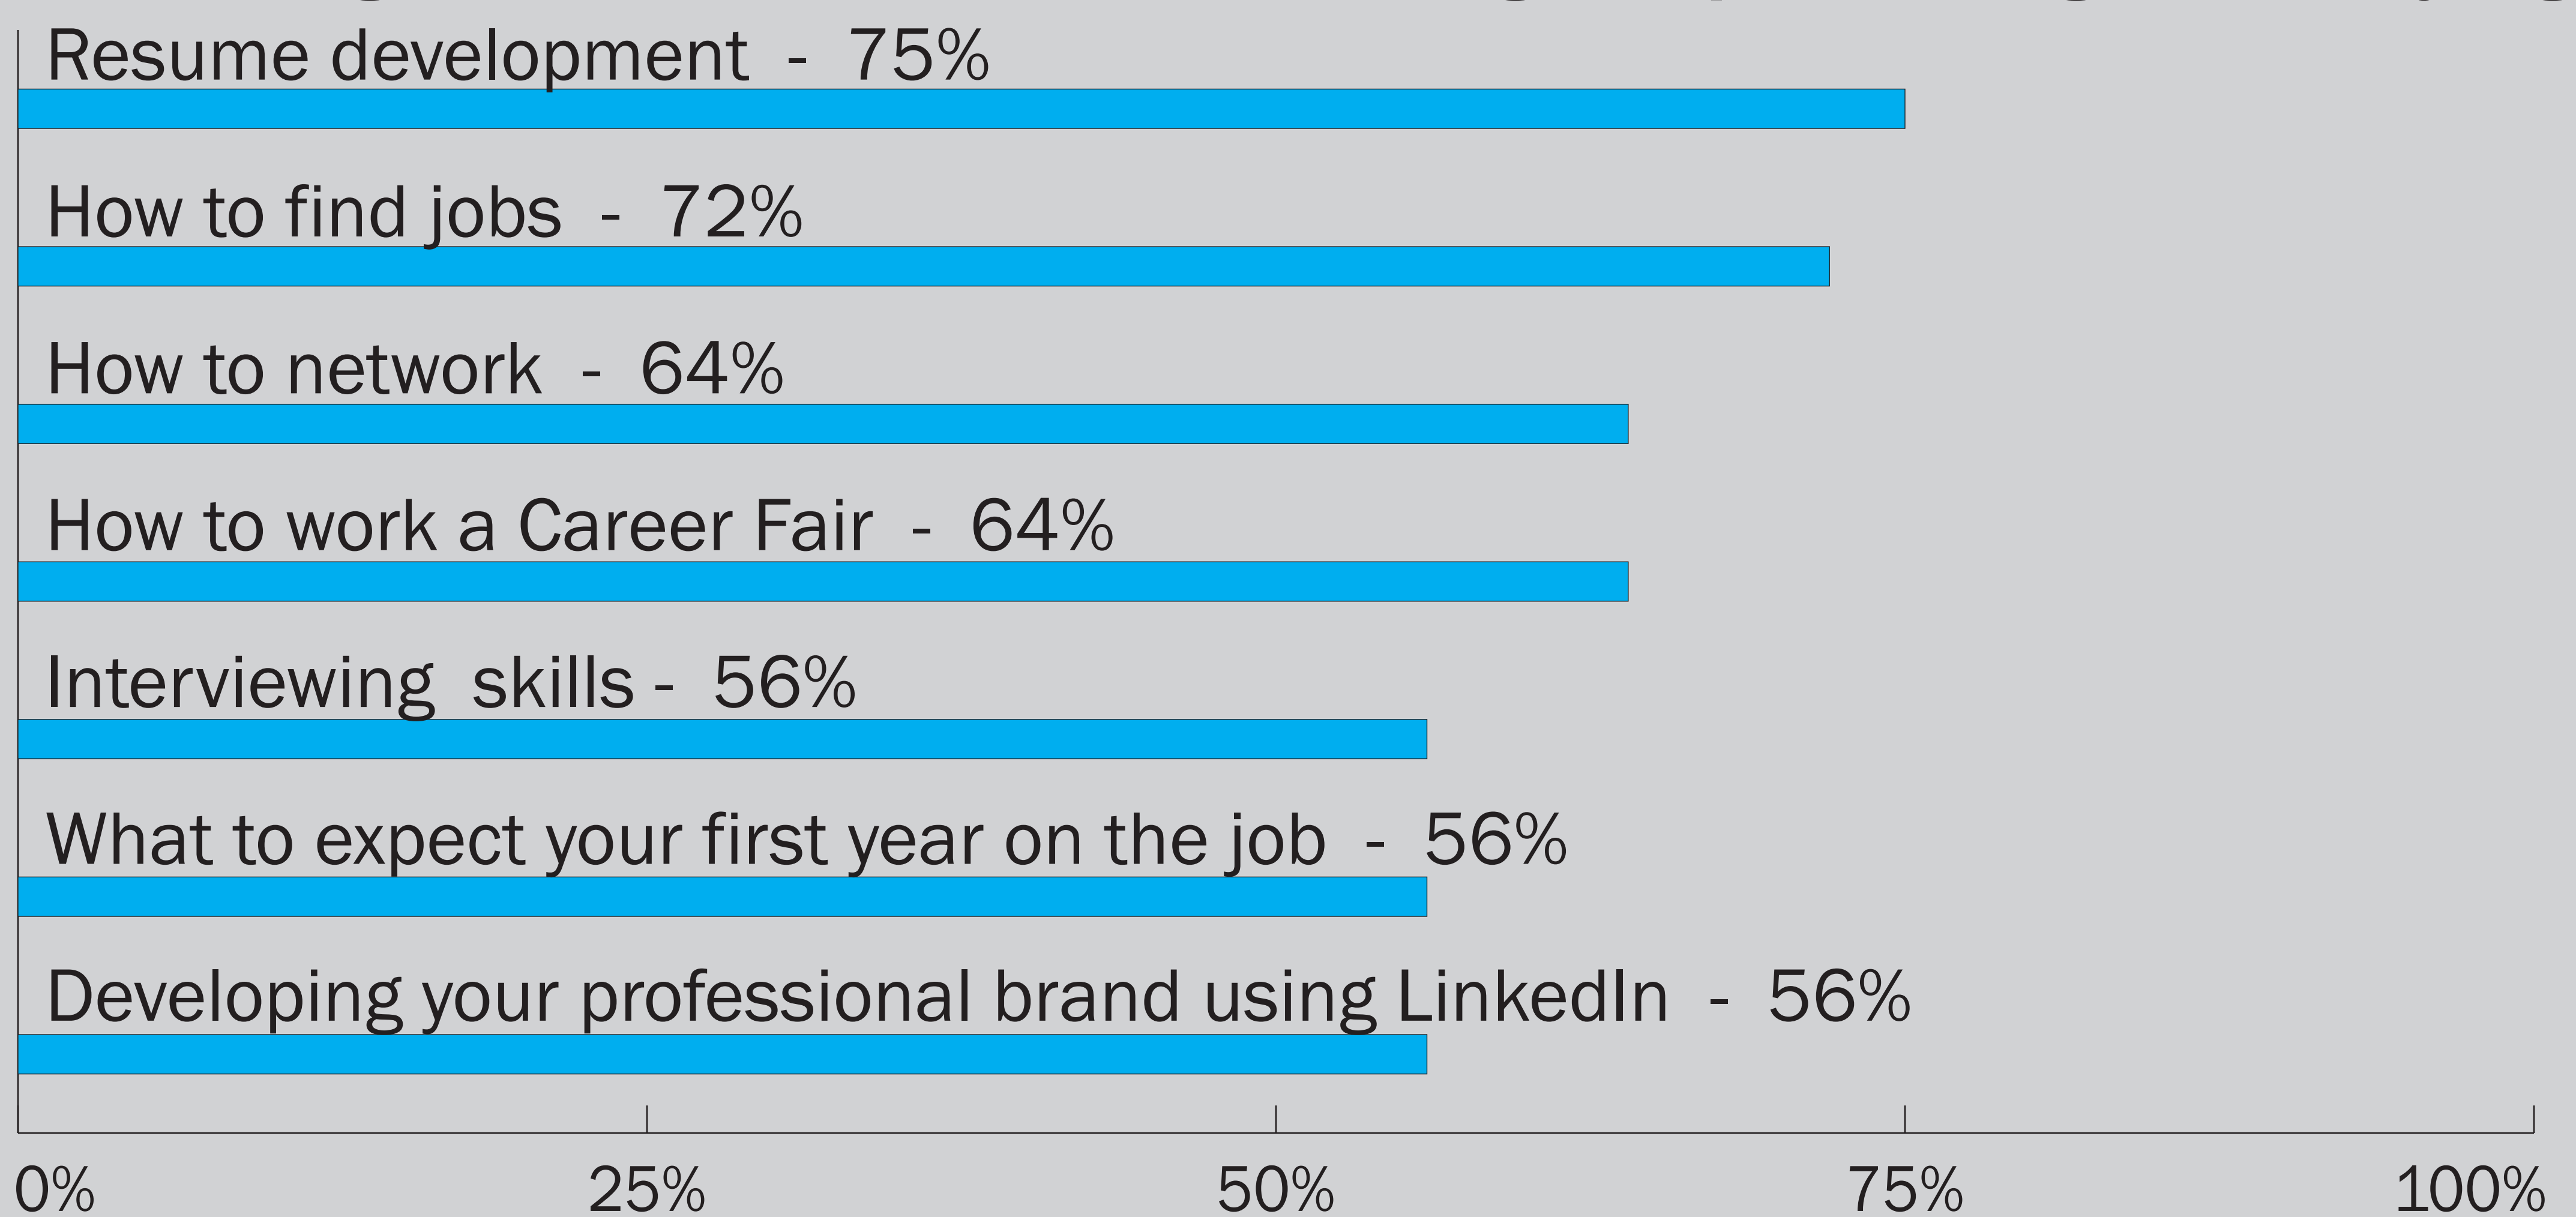

96% of responders indicated that they would recommend the seminar to a friend.

Assessment 1

Goal: At least 75% of students who participated in the 2011 Senior Success Seminar, and responded to the survey will rate their individual preparedness in at least two topic areas as “high” or “very high.”

Outcome

Percentage of students who ranked learning in topics as “high” or “very high.”

Assessment 2

Students will also rate which activity was most helpful to them.
