

SkillSoft's latest content innovation, the Business Exploration Series, was designed to be visually rich and engaging and is ready to work for you! This new series has been added to our Business Skills Courseware Library.

The Business Exploration Series provides learners with scenario-based learning to experience real-world situations in safe, exploratory environments and includes two different learning assets:

| Business Impact Series | Challenge Series |
|--|--|
| <ul style="list-style-type: none"> Analyze frequently encountered business problems and deliver practical solutions. Each Business Impact focuses on a key scenario, uses innovative video and animation techniques to dramatize its core elements, and recommends a specific course of action. Take just 5 to 10 minutes to complete. | <ul style="list-style-type: none"> A practical solution that briefly immerses learners in a business situation, and gets them back to the job with tools to apply the concepts in their place of work. 15 to 20 minute interactive case studies focused on analysis, problem solving, and decision making within first-person role-play targeted at a specific business scenario. |

The Business Exploration Series brings to life problems and solutions for a wide range of business and professional topics:

- Project Management
- Leadership
- Management
- Human Resources
- Six Sigma
- Sales
- Call Centre
- Finance & Accounting
- Professional Foundations

To locate the Business Impacts and Challenge Series, simply drill down to the Business Exploration Series folder located in your SkillPort Catalog.
