

Summit Opportunities

Interested in leading a breakout session?

We are currently looking for organizations and individuals to participate by sponsoring a breakout session during the conference. During a 50 minute-long breakout session, we ask that you use your area of expertise to lead a group of students in a discussion. This is an important opportunity for you to work closely with emerging leaders from Baltimore area colleges, and may be very helpful as well by being included in our conference program. If you or your organization is interested, please email our Programming Co-Chairs, Rebecca Rivera and Christianne Bharath, at programming@bmoreproud.org. Please feel free to contact our Programming Co-Chairs if you have any questions, as well.

Interested in volunteering?

We are currently looking for volunteers to volunteer the day of the Leadership Summit. If individuals are interested in volunteering the day of the event, please contact our Logistics Co-Chairs at logistics@bmoreproud.org.

Please also like our Facebook page, B'More Proud: The Collegiate Queer Coalition of Metropolitan Baltimore, for updates and more information!
