

INTERNSHIP OPPORTUNITIES

Graphic Design • Videography • Digital Media Internships

Paid Internship • Part-Time • College Students

About Us

[Music Reading Class](#) and [Help Music Education Foundation](#) are a **Buy One, Donate One Company** and a **501(c)(3) Nonprofit** dedicated to supporting music education. We create music education courses and resources that support students, teachers, and families with the mission of making these and other resources accessible to all.

Position Overview

Interns will create and implement promotional and advertising materials, including digital graphics, print assets, social media visuals, video content, and branding elements. Interns may also assist in creating material used in educational courses and resources.

This hands-on opportunity is ideal for students building a professional portfolio while contributing to meaningful music education work. Interns will contribute to our [2026 Affiliate Program](#) launch and **Crowdfunding Campaign**.
