

# We want to hear from YOU on AI!

Do you want your voice heard about AI on campus?

We want to hear from you if:

- ✓ You feel that student voices should be prioritized regarding AI
- ✓ You have thoughts and/or questions about AI use on campus
- ✓ You would like to come together in a safe space with fellow students to share your opinions concerning AI

Stop by **room 259 in the Library** for student-centered discussions! To ensure a safe space and to encourage transparent, open conversations, **no faculty will be present**. **Free pizza and drinks** will be provided, as well as a chance to get **free swag** and **bonus library privileges!**
