

**UMBC'S WOMEN'S CENTER AND
USG'S CULTURE OF CARE NETWORK PRESENT**

SUPPORTING SURVIVORS OF SEXUAL VIOLENCE WORKSHOP

As a campus community, we are responsible for supporting one another during difficult and trying times, especially those of sexual assault and interpersonal violence. But what can we do to best support students who have experienced this kind of violence? What do we say? What do we not say? How can we build trust and help empower survivors and also create a survivor-responsive campus community? Open to all USG community members.

THURSDAY, MARCH 2, 2017

BUILDING III-4206

STUDENT WORKSHOP: 12:30-1:30 PM

FACULTY/STAFF WORKSHOP: 2:30-3:30 PM
